Executive Director & CEO, RvaluE Group

Shared Services Forum[®]
Enabling Process Edge and Competitive Advantage

Rakesh is a seasoned professional with an entrepreneurial experience of 2 decades in Advisory & Consulting, Business Services, Business Process Transformation and Technology space. He is an IT Graduate and acquired management skills from IIM Calcutta. Rakesh is one of the few leaders globally certified as an Authorized Evaluator by ITSq of Carnegie Mellon University, USA for eSCM and a certified 'Program Coach' from Canada. Rakesh is recently recognized as the **'Most Promising Business Leader in Asia' by Economic Times and Times Group.**

Rakesh along with two pioneering leaders recently founded 'Quintes Global' which provides a transformation centric New-Age solution Dedicated Captive (D-Cap TM), that is much beyond few classical models for business process services. The unique model enables clients to get Scale benefits while focusing on their core, reduce cost & grow profits, and transform fast and that too, end to end. Rakesh is currently the CEO of Quintes Global. In his role RvaluE Group, he has been part of setting up/ growing 15+ India & Global Shared Service Centers, and 100+ Transformational engagements enabling RvaluE Team to deliver business impact of over US\$400mn to clients. During his stints at Espire, CBoP, American Express RvaluE he has worked across the geographies providing transformational leadership - India, APCA, Japan, North America, Middle East, UK & Europe. Rakesh spots Industry Trends and has led customized Business Transformation initiatives such as Sourcing Model Strategy, Benchmarking, Location Strategy, Offshoring, RFP & Deal Management, Business Process Redesign, Vision planning for Globalizing Shared Services, identifying process consolidation opportunities for over 5000+ FTEs, preparing Business Case, leading process migration/people transition cutting across F&A, HR, Supply Chain & Procurement, Customer Life Cycle, and IT functions both in Manufacturing & Services domains. Rakesh co-founded Shared Services Forum (SSF) in 2011 as an industry platform to create and disseminate knowledge for excellence in BPM for the ecosystem in Global India, authored several pioneering research reports and books like Co-Authored first-of-its-kind book on BPM 'BPM in Global India – The Inflection Point for Competitive Advantage'. Rakesh is well-recognized in the industry and felicitated / honored by leading media houses in their magazine of Industry repute as 'Young Entrepreneur with difference!', 'Pioneer', 'Thought Leader/ Gurus' of Business Process Space - Identified as one of the top 30 Influential Young Entrepreneurs of 2016 by the Insight Success magazine and featured on the cover story, and recently honored India's Greatest Leaders 2017-18 - 'Pride of the Nation', by AsiaOne Magazine & URS Media - Process Reviewers PricewaterhouseCoopers PL". He was one of the youngest to be invited as member of Management Council of Delhi Management Association! As part of his social responsibilities, Rakesh mentors young leaders from leading Management Institutes, devotes time/energy to social projects along with like-minded people, think beyond the present, for creating Think Tanks for 2030 and make India a better place to live in the global village!

Enabling Process Edge and Competitive Advantage

Anand Maheshwari

Founder & Chief Corporate Officer

Quintes Global; Member Governing Council – SSF

Anand Maheshwari is a meritorious Chartered Accountant and a veteran CXO. He comes with nearly four decades of extensive work experience with a blend of senior management & entrepreneurial roles, within India and UK. He is the Founder Director of Quintes Global, a new business entity, promoted by RvaluE Group to offer an innovative solutions & capabilities in Business Process Management to a niche segment – both in India as well as globally. Anand's experience includes controllership/ CFO responsibilities, business and finance leadership across domains: Offshoring & Domestic Business Services, Financial Services, Oil, Petrochemicals & Chemicals, IT & related services. Anand has worked in corporations like Jubilant Organosys, Kanorias, American Express and Venture Infotek (now Atos Worldline). Over the last 16 years, Anand has been a serial entrepreneur, starting as a co-founder for Intrust Global in Business Services space, Chairman of Suprawin Technologies and then co-promoted Pegasus Oil & Gas Services. Intrust Global was recognized as one of the 10 fastest growing LPO companies by the Black Book of Outsourcing. He has worked on significant strategic initiatives with large global organizations like Solvay Business Services in Europe, and many others in UK, USA and Asia Pacific.

Anand was earlier instrumental in setting up the first-ever Global In-house Captive (GIC) Financial Center of American Express in India in mid-90s as Shared Services for F & A and Operations processes. He handled multi billion dollars' business transactions, pioneered transitions of finance and operations processes, led multiple global projects like Y2K and BPR, bringing huge cost saves and value to various stakeholders and was deputed to UK on a global assignment. He also received the Chairman Award for Quality six times. In his current role with the RvaluE Group, Anand brings proven strategic execution capabilities, stakeholder collaboration and people management skills and focus on coaching and mentoring leaders. While detail oriented, he has an excellent strategic oversight and has a keen mind that breaks down complex issues into manageable chunks. He brings insight, global experience, expertise and a sense of humour to engagement, enabling him to collaborate well with clients, associates and colleagues.
